All events take place in our fully equipped Annex classroom studio space!

Food and drink is not recommended in clay spaces, but you are welcome to bring your own as long as the space is cleaned when you are finished. We recommend lidded containers and a table cover.

Clean-up is part of the process of working in clay. All parties are responsible for aiding their teaching artist in cleaning the space at the end of their session.

FIRING

Creations can usually be finished in about 4 weeks, depending on factors like dry time, glaze needs, and kiln availability.

The person who booked will be emailed to pick up their party's items.

WHEEL THROWING

2-10 People
Ages 12+

A unique method to create a perfectly round pottery form! Learn the basics of the ancient art of wheel pottery with a teaching artist. Have fun and do your best to create bowls and cups!

Up to 3 pots will be glazed with clear and fired for each participant!

Throwing sessions can work like a private Pottery Date Night, or like a *Fire and Throw during certain times of the year on special request.

Experienced potters may request a private session to learn new techniques.
